

De Rougemont Manor

MISSION STATEMENT

Dear Sir/Madam

De Rougemont Manor is an old famous manor house and is set in 12 acres of stunningly manicured and landscaped gardens in the heart of rural Essex.

A very successful family owned business, this amazing AA Four-Star rated Hotel has 81 well-appointed bedrooms including Luxury Suites, Family, Double and Single bedrooms including our most recent additions, two purpose designed ground floor disabled bedrooms.

Since the recent hotel refurbishment, all departments are maintained to the highest standards and periodically updated. We now boast several Luxury Function Suites, a contemporary À la Carte Restaurant, a heated open-air Swimming Pool, a fully equipped Gymnasium, two open air Tournament Sized Tennis Courts, our very own Nature Reserve along with picturesque backdrops and vibrant, colourful, floral surroundings for your wedding photographs.

Our speciality is Civil Ceremonies and Wedding Receptions built on 40 years of experience, including all other Celebratory Functions and Corporate Business Conferences & Seminars.

The hotel is ideally located for connections to London and Southend, situated approximately 2 miles from Brentwood train station, 5 miles from Romford train station, 3 miles to Upminster underground train station and is a short distance from the M25, A127 and A12.

Please contact us for a fully priced brochure or for any further information regarding our facilities. For wedding enquiries, our Big-Day Co-ordinator Davine will be happy to arrange a viewing of our facilities to suit your timescale.

Yours faithfully,

Jason Hilton
