Christmas

2020!

“Let’s celebrate together!”

2020 has been a very challenging year for many. Together we have all been through some worrying, stressful and uncertain times, and whilst we look to move forward we still want you to enjoy a sparkling Christmas with us at De Rougemont Manor.

As we work to current government restrictions we are confident that we still have something for everyone to enjoy. Whilst some of the details may need to slightly tweak, change or adapt in line with any new government updates our brochure sets out what you can expect and look forward to this December.

In the event we are unable to run any Christmas events, a full refund will be offered for any deposit or interim payments. So read on and find the perfect treat to end the year and welcome the arrival of 2021!
